**Scott and Monica Duffney** started construction in 2015 of Rivers Edge Assisted Living and Adult Day Services with the intent of allowing loved ones to live a happy, healthy life. Located in North Central Minnesota, this facility offers one to enjoy small-town community life while experiencing the beauty of nature. With a 24-hour staff, Rivers Edge is able to provide the basic necessities as well as health services for individuals in need of assistance. Family owned and operated, this assisted living and adult day services business is located on the Ripple River in Aitkin, Minnesota. With seven children of their own, Scott and Monica Duffney know how to treat a big family. Creating an assisted living home is something the Duffneys are very passionate about. Completed in 2016, Scott and Monica are very excited to share their passion.

**Our facility** offers 41 rooms with eight spacious suites that overlook the beautiful river. Studio and one bedroom rooms also available. Each room securely locks and has a private handicap accessible bathroom. Rates are structured depending on the size of your room and what services may be required. All units include: private bathroom, infloor heating, AC, electricity, and use of entire facility. We do accept EW and CADI waivers.

**Our mission** is to provide the highest quality care and services to our ever-aging community. Rivers Edge Assisted Living is committed to maintaining excellence, respect and integrity in all of our professional and business conduct.

**Our philosophy** is to be the best we can be in helping others to maintain their independence, dignity, and will to watch the sun rise every beautiful day. As a family and a team to never stop improving.
